<p><b>Jason</b> is from Christchurch, moved after earthquake. Moved with family to Hutt Valley just last week</p> <p>First day in new job in Wellington city centre. (for EastPac bank)</p> <p>Doing induction talking about evacuation. Compliance - making it fun</p> <p>Colleague proudly saying he won the badge “<b>wow that was fast</b>” in the evacuation last week (showing on phone?)</p> <p>Jason is inspired.. Jason clicks through to badge..</p>	<p><b>reUnite</b> screen with his colleagues evacuation plan shows on computer [screen showing on computer]</p> <p>While viewing a hazard pops up and the route changes. [dynamic update]</p> <p>He is inspired to make his own plan based on his own location. (saves to mobile)</p>	<p>At home he clicks Home icon</p> <p>And makes a quick plan. Gets badge <b>first plan</b> and shares to his social network.</p> <p>Invites his wife and daughter to make plans for earthquake, tsunami and fire cases together.</p> <p>Practise <b>Drill</b> together on weekend and win badges. They invite neighbours to join and try the <b>reunite mode</b> to local school civil defense point.</p> <p>At home Jason creates his own plan.</p> <p>He gets his first badge placing his home &amp; sharing to his social network.</p> <p>He invites his wife and daughter to their family plan and runs a practice reunite drill with their neighbourhood.</p>
